OFFICIAL MERCHANDISE CATALOGUE 2017

WELCOME

Welcome to the 2017 ECB ACO Merchandise Catalogue, a one-stop-shop for all your officiating needs at affordable prices. Remember to take advantage of all the multi-buy offers and multi-packs giving you some fantastic savings.

NEW for 2017

A new range of Match II Jackets and Shirts have been developed with both available in Navy as well as the usual Ivory. The new styles have improved fits, pocket detail and enhancing breathability making them ideal for all levels and types of officiating.

White and Pink ball casual cricket is becoming more prevalent so a full and comprehensive onfield range is now available in both the Pro II and Match II range of products with several multi-buy and pack options available.

The New Signature Range comprises a casual rain jacket, cable-knit sweater and cotton pique polo shirt all of premium quality fabrics, design and make-up; multi-buy options are also available. The Leisure range sees a few new additions to complement the already comprehensive range of products, Classic Sweat Jacket, Soft-shell Jacket, Classic Polo Shirt plus new polo shirt colours. A New Mix & Match leisurewear multi-buy is available for 2017 with great savings to be had.

In addition to the items in the women's range on page 32, a range of women's fit garments are available in many of the products throughout the catalogue and online – please look out for the women's fit icon .

A comprehensive range of scorers' products are available and this year sees the introduction of the new signal acknowledgement paddle, a must addition to any scorer's kit. The Scorer's Starter Pack has also been updated.

Finally you will see many new accessories such as the counting coins, fingerless gloves and astro cricket shoes plus a couple of new holdalls

Don't forget Duncan Fearnley email weekly special offers and information on NEW products that are launched throughout the year. If you currently do not receive these emails and would like to please notify Duncan Fearnley and they will add you to the mailing list.

Finally your feedback is invaluable to us for further development and improvements, so please let us have your thoughts throughout the year.

Good luck for 2017 and I hope you enjoy the new catalogue.
