OFFICIAL MERCHANDISE CATALOGUE 2018

WELCOME

Welcome to the 2018 ECB ACO Merchandise Catalogue, a one-stop-shop for all your officiating needs at affordable prices. Remember to take advantage of all the multi-buy offers and multi-packs giving you some fantastic savings.

NEW for 2018

iD-Me personalisation is new giving you the opportunity to apply up to 5 initials to your kit to give it that personal touch. The initial reaction has been very positive and from only £3 per item the service is a very affordable add-on.

After the successful launch of the Match II Range in 2017 we have introduced the NEW Match II Trousers in Black as requested by several members. This new lightweight performance trouser is as used by the 1st Class Umpires. The range is completed with the NEW Panama II Hat as used by many leading professional umpires today. The new hat has better shape and fit, is light and has perfect ventilation for those hot days!

The Signature Range continues with the addition of the new Chinos to compliment the range, and there are several new additions to the Leisure and Casual Ranges including the new Padded Jacket, Quilted Jacket, Contrast Polo Shirts, new colours in the Classic II Polo Shirts and the new Casual V-neck Sweaters. New product additions are also available in the luggage range so make sure you look at the full range and the new multi-packs and multi-buy discounts that are available throughout the ranges.

With the introduction of the NEW 2017 Code Laws a new lightweight wooden Bat Gauge has been developed and has proved extremely popular already. The accessory range is full of products essential to scorers and umpires so make sure you have everything you need.

Don't forget the ECB ACO Shop emails weekly special offers and information on NEW products that are launched throughout the year. If you currently do not receive these emails and would like to please notify Duncan Fearnley and they will add you to this mailing list.

Remember your feedback is invaluable to us for further development and improvements, so please let us have your thoughts throughout the year.

Good luck for 2018 and I hope you enjoy the new catalogue.

iD-Me

Personalise Your Kit

PERSONALISE YOUR KIT

FROM ONLY £3 PER ITEM

How does it work?

1. You can personalise any product tagged with the iD-Me icon with up to 5 initials.
2. Select the product you require and select the correct colour option that states '+ Initials'.
3. Select the size & quantity required, then add to your basket.
4. Once you have bought all the items required go to your shopping basket to check-out.
5. After selecting your delivery method put the Initials you require for all the relevant items in the 'Special Delivery Instructions' below the Delivery method.
6. You will then get a confirmation email acknowledging the placement of your order.
7. We will then process your order and send you a further email telling you your order has been accepted and from this point you will be unable to cancel or amend your order.
8. We then personalise your order which takes approximately 1 week depending on the time of year – during busy periods such as the start of the cricket season the process may take longer than 1 week and in these instances you will be informed if your order will take longer than anticipated.
9. Once your order has been personalised it will be despatched to you with most orders delivered within 10 working days from placement of orders.

Look out for the iD-Me logo throughout the catalogue for products that can be personalised.

iD-Me Special Terms & Conditions

All personalised items cannot be cancelled, returned for exchange or refund once the order has been confirmed as processed unless the item has a genuine manufacturing fault.

Only Initials are acceptable, names, nicknames and initials deemed offensive are not acceptable. In cases where sets of initials are deemed potentially offensive only the forename and surname initials will be used. The customer will be informed of any alterations before any personalisation is carried out to ensure the alterations are acceptable.

The colour of the initials will be same as the ECB ACO logo throughout.

The initials will be positioned below the ECB ACO logo on all clothing garments and where appropriate on other items, such as holdalls.

Sizes of the Initials will vary per item and will be sized at our discretion.

A standard complimentary font will be used to suit the ECB ACO logo, therefore specific font requests will not be accepted.
