ECB ASSOCIATION OF CRICKET OFFICIALS 2016

WELCOME

Welcome to the 2016 ECB ACO Merchandise Catalogue, a one-stop-shop for all your officiating needs at affordable prices. Why not take advantage of big savings when multi-buying or purchasing Multi-Packs?

NEW for 2016

A redesigned Pro II range is available from April with improved fabrics, pocket detail and fits. We are delighted to see the red ball Championship jacket & shirt available for the first time in a women's specific fit at an affordable price. (The women's fit jacket & shirt is made-to-order, full details are available online).

The Match Range sees the introductions of the Match Mid-layer Top, which is perfect for white ball cricket in conjunction with the Navy Match Shirt. The Multi-Pack components have also been updated to suit your needs, so make sure you check the new combinations. Finally, the Sun Hat is now available in a larger size.

The Leisure range has been re-vamped with many new styles such as a rain jacket, soft-shell jacket, track trousers, polo shirts and training wear, with many available in women's fit. Look out for new multi-buys, which offer great savings across the range.

On the back of the successful launch of sunglasses in 2015 new models have been introduced at affordable prices with a great selection of styles & colours available online, see page 27 for details.

The Scorer's range continues to be a success and the Multi-Pack has been updated for 2016 and with lots of NEW Leisure styles, it's our biggest offerings ever.

Don't forget Duncan Fearnley email weekly special offers and information on NEW products that are launched throughout the year. If you currently do not receive these emails and would like to please notify Duncan Fearnley to join their mailing list.

Finally your feedback is invaluable to us for further development and improvements, so please let us have your thoughts throughout the year.

Good luck for 2016 and have a great season.
